Providing a Safe Home for Women in Recovery

Third Annual Stiletto Dinner & Fashion Show

Dear Prospective Sponsor,

Homecoming Project is a halfway house program for recovering chemically dependent women located in Bel Air. Since 2006, our home has provided a supportive, healing environment to strengthen and empower women for their return to society as fully functioning members. Please visit our website for a more complete overview of our program at www.hcpi2006.org.

Our success is largely dependent on the support and help of community leaders. We hope you will join Homecoming's list of friends as a sponsor of our Third Annual Stiletto Dinner & Fashion Show fundraising event. The event will be held at the Maryland Golf and Country Club on Tuesday, March 13, 2012 at 7 p.m. (*Please see attachment for sponsorship opportunities.*)

Nonprofit organizations are feeling the pinch of the struggling economy and government budget cuts. Homecoming is doing everything we can to operate our healing program as efficiently as possible, but we need your help. If you cannot be a sponsor, we welcome donations, and we will include you and your business in our event brochure. Donations can be made on our website at www.hcpi2006.org.

Homecoming is so grateful for the wonderful support we continue to receive from the citizens and businesses of Harford County and beyond. We hope you will be a friend of Homecoming at our Fashion Show Fundraiser, and we thank you for your kind consideration.

I will be personally following up with you in the next two weeks. In the meantime, if you have any questions, please do not hesitate to contact me at 410-399-2904.

Sincerely,

Robin Keener
Executive Director
